

Dual MSc/MEng Program

Master of Science from Home University
Master of Engineering from UC

UC Master of Engineering (MEng) Program

- Industry focused graduate degree that provides:
 - ✓ Advanced technical skills
 - ✓ Professional skills (leadership and teamwork)
- Coursework + capstone project/internship
- No thesis required for UC MEng degree
- Completed in less than 1 year at UC

Benefits of the Dual Degree Program

- Graduate degrees from two universities
 - ✓ Top-ranked Asian University
 - ✓ Top-ranked U.S. University
- Diverse coursework and faculty
 - ✓ Broader selection of topics
 - ✓ Experts from two continents (USA + Asia)
 - ✓ Possibility of degree combinations
(ex. Mechanical Engineering + Civil Engineering)

Spring Semester Admission Application Timeline

Briefing with students on the process	August-Early September
Application Deadline	Mid-September
List of recommended candidates to UC *	September 20
Offer letters from UC to students	October 5

* Home U approved students apply online at UC CEAS. Home U forwards to UC CEAS a list of applicants with their names, date of birth, and email contact information.

Fall Semester Admission Application Timeline

Briefing with students on the process	January-Early February
Application Deadline	Early February
List of recommended candidates to UC *	February 15
Offer letters from UC to students	March 15

* Home U approved students apply online at UC CEAS. Home U forwards to UC CEAS a list of applicants with their names, DOB and email contact information.

Application Process

Step 1:

➤ **University Online Application** – www.ceas.uc.edu/ucgradapply

- If intending to study in Spring students must apply for Fall 2019, upon completion of application send an email to: engrgrad@uc.edu that you have applied to the Home U-UC Dual Degree program and we will change your admission date to Spring 2019.
- There is an USD\$80.00 application fee. Fees are paid by credit card.
- After submitting the UC application, you will receive an email (within 2 business days) to complete the CEAS Online Application (see *Step 2*).
- The CEAS online application requires additional program-specific information for your academic record. Your application will be processed for evaluation only after the completion of the CEAS application *Step 2*.
- There is no fee associated with *Step 2* of the application.

Application Process

Step 2:

➤ Review Process

→ Upon completion of the above application process your file will be reviewed and you can check your status online at:
<http://www.eng.uc.edu/COEAdmissions/>

Step 3:

➤ Application Approval

→ Approved applications will be confirmed and an email will be sent from our International Office (international.students@uc.edu) on what is required to prepare your I-20.

Application Process

Step 4:

➤ International Office and I-20 Issuance

→ Additional information about I-20's can be found on our International Students website

http://www.uc.edu/international/services/students/prepare/i-20_faq.html

→ We recommend that you have your I-20 / DS-2019 mailed by express mail. Regular mail overseas may take as long as 4- 6 weeks

Program Costs

- 1st semester at UC:
 - ✓ \$14,770 tuition and fees (4K+ scholarship available)
 - ✓ Approximately \$5,000 - \$6,000 room and board
- 2nd semester at UC:
 - ✓ Some students elect to stay & complete an internship/capstone project in the 2nd semester. Costs same as the 1st semester, scholarship available
 - ✓ \$14,770 tuition and fees (~9k+ scholarship available)*
**2017 tuition and fees, not including cost of living
Subject to annual price adjustment*

Capstone Project (3-6 credit)

- **Pathway A**: Completed as part of 15 credits at UC in the 1st semester
- **Pathway B**: Completed as an internship (via Curriculum Practical Training, CPT) during the 2nd semester for select project
 - ✓ Must find internship by the end of the 1st semester to qualify for CPT
- **Pathway C**: Completed at HomeU
 - ✓ An outline/abstract required
 - ✓ All require written report submitted to UC upon completion
